They say  
golf cart.

We say  
golf car.

A NEW DRIVING  
EXPERIENCE

---

*Garia has created a golf car that is so different, so fundamentally sound in its performance and aesthetics that you will want to drive it as much off the golf course as on it. Inspired by cars and built with passion, the Garia will change the way you think and feel about driving.*

## LEISURE TIME IS LUXURY TIME

A zero-emission and virtually no-noise vehicle, the Garia lets you enjoy your surroundings while providing comfort, superior handling, and stability.

Take your Garia to the golf course, country club, or out shopping. The possibilities are endless.

#### IT'S IN THE DETAILS

---

*From headlight to tail light, every part of the Garia is designed to be an experience. With your comfort as our sole focus, we have put thought into every detail, and created a car that has everything you need. And more.*

LIMITLESS  
FEATURES

DESIGNED FOR YOU

Providing more width, leg, and headroom than other golf carts and leisure vehicles, the Garia has the largest cabin in its class. The spacious cabin and car-like driving position allow for optimum comfort while driving.

CHAMPAGNE BUCKET

This removable bucket is made of the same material and color as the seat, and comes with a protective insert.

## STORE AND GO

Each model is fitted with storage space under the lockable front bonnet, and our 2-seater models have a utility box behind the seats to ensure that there is always enough room for your belongings.

## STAY PLUGGED IN

Power up with a 12 V power outlet for all of your electronic devices.

### ALUMINUM RIMS\*

Our rims are crafted from automotive quality aluminum, and are available in four variations.

### DASHBOARD

From the soft-touch dashboard you have access to controls for the windshield wipers, refrigerator, heated windshield and either a golf ball and tee holder or storage shelf, depending on the model.

### DIRECTION SELECTOR

Conveniently located on the steering column, the direction selector is easy to reach and simple to operate.

### REFRIGERATOR

Keep your beverages cool while underway with our refrigerator option integrated into the dashboard.

### AIR SCOOP\*

To channel fresh air into the cabin, an adjustable air scoop is mounted into the roof.

### HEADLIGHTS

Our models feature lights including parking, low and high beam head lights, tail lights, brake lights and turn signals at the front and rear.

*\*Not standard on Golf model.*

PEAK

# PERFORMANCE

## SPORT STEERING WHEEL

The unique design of the steering wheel features an ergonomic grip that enhances steering control.

## DOUBLE-WISHBONE SUSPENSION

Similar to the suspension found in sports cars, the double wishbone front suspension ensures smooth handling, accurate steering, and superb stability.

#### SPORTS SEATS\*

Designed with a dip in the seat back and bottom to prevent sliding when going around sharp turns and during high-speed drives.

#### LITHIUM BATTERY\*

The lithium battery is exclusively manufactured and developed for Garia vehicles. A lithium battery features less battery maintenance, and a longer lifespan.

#### HYDRAULIC BRAKING SYSTEM

All Garia models feature an advanced dual circuit brake system, which includes brakes on all four wheels with discs at the front and drums at the rear. The system also features an automatically engaging parking brake for your convenience.

\*Optional upgrade

# ADVANCED TECHNOLOGY

## DIGITAL INSTRUMENT CLUSTER\*

All relevant driver information is located in one place. The digital instrument cluster is an information center for speed, distance, time, battery status, warning signals, and a resettable tripmeter.

**LOCKABLE SPACE IN FRONT**  
All Garia models feature a lockable storage compartment in the front of the car

## HILL HOLD SYSTEM & DESCENT CONTROL

This function holds the Garia firmly in place when stopped or starting the vehicle on a slope. In case too little acceleration is applied when starting, the hill holder function will prevent the vehicle from rolling backwards.

Descent control features regenerative braking when going downhill or coasting. This allows the battery to recharge, provides a longer range, and gives you full control over the vehicle, even when going down a steep hill.

## ALUMINUM CHASSIS\*

The aluminum chassis is corrosion-resistant and made of automotive grade aluminum. Standard on most street legal models.

*\*Only available on Monaco and Via 2 models and Via 2+2.*

## GARIA MODELS

---

*The Garia comes in various models ranging from 2-seaters to 6-seaters, each fitted with luxury features so you can sit back and enjoy your ride.*

GARIA  
VIA

The street-legal Garia Via is the ideal luxury vehicle for golf, leisure and street use. Take the Garia Via from the golf course straight to your favorite shop or cafe.

*Street-legal in the USA.*

#### MAX SPEED

40 km/h / 25 mph

#### RANGE

40-64 km / 25-40 miles

#### OPTIONS

2-seater, 4-seater, 4-forward seater, 6-seater

GARIA

# MONACO

The street-legal Garia Monaco is the ideal luxury vehicle for golf, leisure and street use. Take the Garia Monaco from the golf course straight to your favorite shop or cafe.

*Street-legal in the European Union.*

**MAX SPEED**

40 km/h / 25 mph

**RANGE**

40-64 km / 25-40 miles

**OPTIONS**

2-seater, 4-forward seater\*

FEATURES

# GARIA VIA & MONACO

## MONACO 4

The Monaco 4 is able to carry up to four occupants, with 4 forward facing seats. Street-legal in the European Union

## INTEGRATED CABIN

All Garia models are equipped with the largest cabin in their class, and feature a sport steering wheel, cup holders, and a large instrument cluster with all driver information

### VIA +2

The 4+2 or 2+2 features rear seating for two additional occupants, and incorporates storage space beneath the seats. Street-legal in the USA

GARIA

# GOLF

A unique combination of performance, versatility and elegance, the Garia Golf is a golf car in its purest form.

*Non-street legal.*

**MAX SPEED**

30 km/h / 19 mph

**RANGE**

40-64 km / 25-40 miles

**OPTIONS**

2-seater, 4-seater, roadster

FEATURES

# GARIA GOLF

## A NEW GOLF DESIGN

Our golf model provides all the luxuries and comforts of our Monaco and Via models, with a few modifications to make your golfing experience even more comfortable.

## ERGONOMIC GOLF BAG HOLDER

Positioned at a 45° angle, Garia golf bag holders give you easier access to your clubs, so you can get back in the game.

## UNDER COVER

Shaped with the utmost precision, the roof of the Golf car is designed with an improved water management system to keep you dry.

## CATCH A BREEZE

The Golf's fold-down windshield allows for a nice breeze while driving. Made of high quality shatterproof and UV resistant material.

GARIA

# COURTESY

The Garia Courtesy is ideal for transporting larger groups, as it can hold up to 6 occupants at a time. Available in 6 or 4 seater models, the Garia Courtesy is sure to get you and your group where you need to go.

*Non-street legal. See page 24-25 for street legal alternatives.*

**MAX SPEED**

*30 km/h / 19 mph*

**RANGE**

*40-64 km / 25-40 miles*

**OPTIONS**

*4-seater, 6-seater, roadster*

## FEATURES

# GARIA COURTESY

### CABIN AND DASHBOARD

The same spacious cabin as is standard in all of our models can be found in the Garia Courtesy, with features such as a conveniently placed instrument cluster, cup holders, and 12 V charging port for electronic devices.

### BACKSEAT FEATURES

Additional cup holders, handles, and storage nets are within reach for second row passengers.

## REAR SEATING

The Garia Courtesy elegantly integrates additional rear seating into the design of the car, without compromising aesthetics or comfort.

## REAR STORAGE

A storage compartment under the rear seat provides additional space for belongings.

## FOOTREST

For optimum comfort, the Courtesy has a footrest integrated beneath the second row seats.
