<b>Best for</b>	Utility or Parking Enforcement. Optional hinged doors with 5 ft flat deck for cargo.	Superior parking enforcement unit. Double sliding door, 9 ft turning radius. ABS trunk.	1.75 cub yd compact hydraulic refuse hauler for congested areas	Utility or parking enforcement. Optional hinged doors with 5 ft flat deck for cargo.		Superior parking enforcement unit. Double sliding door, 9 ft turning radius. ABS trunk.		4 wheel LSV for utility, transport, or parking enforcement. Twin passenger, 5 ft deck, optional RH drive, limited to 25mph on a 35mph our road.				Parking enforcement or transport. Twin passenger. 2 wheels up front for improved speed stability, larger turning radius than GO-4. Optional hinged doors and limited cargo capacity.		
<b>Classification</b>	Motorcycle or Autocycle			Motorcycle or Autocycle				Low Speed On Road Vehicle				Motorcycle or Autocycle		

o = optional y = yes n = no n/a = not available

\*Range is an estimate and is quoted without use of accessory draw such as heat & AC. Heavy payload and severe terrain impact range as well. | \*\*Total Payload includes allocation for operators. MAX 15-20 have reduced payloads due to max GVWR LSV class of 3000lbs. | \*\*\*Note; Manufactures MSRP excludes freight, PDI, taxes, and may vary somewhat per territory. | Lease figures based on a municipal lease purchase, 60 month term, do not pay until 2021. Please note specs may change, verify before purchase. Non-appropriations clause in case funding is not available, taxes & freight additional. Conditional pre-approval.

# Task Specific Vehicles From Westward Industries

Road maintenance

Utility, transport, or delivery

Refuse collection

Spraying

Factory LPR solutions available on all vehicles

Parking enforcement
